The Scholarship Committee, based on the strength of the application, will consider applicants who demonstrate academic ability, leadership and moral integrity, a commitment to serve their school and community, and the greatest incentive to continue development of their life goals. For obvious reasons, Kiwanis, as a service organization, is especially interested in community service.

1. Compose an essay about yourself, your life experiences, your goals. (500 words maximum)
2. Describe your extra curricular activities (sports, clubs, etc.) and your work (paid or volunteer) experience and why you are involved in them. (600 words maximum)
3. Describe one time you have made a difference or impacted a person or a group for the better. (300 words maximum)
