

BHS
Parent Resource Center
Adopt~A~Family
2022

Please join the Parent Resource Center as we host our first Adopt a family Program. This year has been challenging for many BHS families, and our hope is bringing joy to them. If you are interested in adopting a family to bring the spirit to those less fortunate, please contact us for ways you can support such as i.e., grocery/other gift cards (any amount) or other gift ideas.
