Members have priority seating at all events!**

## **Project Pride**

*Thank you to all our generous members! We once again were able to deliver a whole “sleigh” full of toys, books, art supplies and blankets to the children and residents of Oakland’s Project Pride!*

*The individual stockings looked beautiful and the addition of fleece Warriors or CAL blankets for each child was a special treat! I am sure each of the 27 children and their mothers appreciated all the presents as well as the decorating skills of our student staff!*

*Thank you!*
