## ***Project Pride***

***Thank you from the children, residents and staff of Oakland's Project  
Pride! We once again were able to deliver a whole "sleigh" full of toys,  
books, art supplies and blankets to the children of Project Pride.***

***The individual stockings looked beautiful and the addition of the fleece  
Warriors blankets for each child was a special bonus. I am sure that each  
of the 29 children and their mothers appreciated the generosity of our  
members as well as the decorating skills of our student staff!***
